**Please Note:** All competitions are run by separate organizations including each AFBJJ State Championship. For information about an event please concat the organizers of that event, this can be done by clicking on the organization running the event and the link will take you to their website. The AFBJJ has done it's best to ensure the information on the AFBJJ Calendar is correct and is updated ASAP if and when things change.

The AFBJJ has guidelines for the State Branches and Affiliate Competitions to ensure professional events are run for the competitors. AFBJJ does not accept any responsibility for scheduling issues or if the organizers choose to operate outside of the AFBJJ guidelines. However we would like to be informed if you have had a problem at a competition that has not be resolved by the event organizer.
